

VACANCY

Installation Engineers

Manchester x 1 Romsey x 1
Birmingham x1 Scotland x1

We currently have a vacancy for Installation Engineers at our Manchester, Romsey, Birmingham and Scottish depots. The successful candidate must be physically fit, a good communicator, presentable, flexible and have a clean driving license. Experience in a similar role is preferred, however, training will be provided for the right applicant.

Tasks include:

- Carry out the installation of Wessex products to a defined standard, and in accordance with safe working practices.
- Develop a detailed knowledge of Wessex products
- Understanding wiring schematics to aid with installation

The role will primarily be Monday to Friday, with a basic working week of 42.5 hours. Weekend work, overtime and working away may be required. Flexible start and finish times to suit each site.

Starting date: as soon as possible

Full Job Description available upon request.
